

GENERATE & PRINT REPORTS & CMAS

Reports and CMAs can be generated directly from the View & Act search results, providing quick and convenient access to detailed insights.

Reports: From the Display dropdown menu (1), select your display option (2). The featured listing will now be displayed in report format. Click the download icon (3) to generate a report that can be printed or saved.

CMAs: On the right panel of the search results page, select CMA/Market Conditions (1) under the CMA menu. Click the down arrow (2) to choose and generate the CMA report you wish to print or save.

Generating and printing reports and CMAs in Rapattoni MLS 11 is designed to streamline your workflow. With just a few clicks, you can create professional, detailed reports that are ready to be shared or printed.
